

The health and safety of our clients and employees are of highest priority. We want to share what precautions we are currently taking as it relates to coronavirus (COVID-19).

In accordance with Illinois Governor J.B. Pritzker's executive order, beginning March 23<sup>rd</sup>, our employees are working remotely and adhering to CDC recommendations as it relates to best practices for social interactions during this time. Although our Naperville office is closed, we remain open for business and are committed to serving you. As always, we are here for your wealth management needs, regardless of the situation, and have contingency plans in place to prevent service disruptions.

We encourage you to contact us via phone or email with any questions you may have. All scheduled appointments will be changed to virtual meetings; instructions for which will be emailed on an individual basis. Should a virtual meeting be insufficient, we would be happy to reschedule your appointment to a later date. Please contact us at 630.778.8088 or [info@partnerswealth.com](mailto:info@partnerswealth.com).

As we monitor the current situation, we will continue taking proper precautions and will adjust our actions based on recommendations from the Illinois Department of Public Health (IDPH), the Centers for Disease Control and Prevention (CDC), the World Health Organization (WHO) and additional local and government health organizations.

We remain committed to work for you – as your advocate, your trusted resource, and your partner. Our best wishes for the health, safety and wellbeing of you and your families.
